WHERE TECHNOLOGY MEETS FUTURE

TRAVANCORE **TEC** ENGINEERING COLLEGE

ABOUT US

Travancore Engineering College (TEC) is one of the prominent self-financing engineering institution in Kollam district, Kerala. Established in 2002 by the Travancore Education Society, the college has consistently upheld its commitment to delivering high quality technical education to aspiring engineers.

Spread across a picturesque 24.6-acres hilltop campus, TEC offers a serene, eco-friendly learning atmosphere that inspires academic excellence and personal growth. Located at Velinalloor Grama Panchayat, the college enjoys excellent connectivity 7 km from MC Road (Ayoor) and 16 km from NH-47 (Ithikkara), ensuring easy access via road, rail, and air transport.

TEC stands as a learning ecosystem where innovation, discipline, and creativity come together to shape future-ready professionals.

VISION

To create technically competent engineering graduates with global exposure, strong ethics, and entrepreneurial spirit, contributing to national integrity and societal advancement.

MISSION

- To deliver value-added engineering education through observation, experimentation, and innovation
- To promote quality research with national and international relevance
- To nurture leadership, employability, and independent thinking
- To empower students to become responsible global citizens and job creators

CAMPUS LIFE & FACILITIES

Learning Resources

- Central Library with over 20,000 books and 48 journals
- Digital Library with high-speed internet and 24×7 Wi-Fi

Student Support & Activities

- NSS, IEDC, ED Cell, Women's Cell, FOSS Cell
- Active Alumni Association – "Thirike"
- Regular workshops, innovation challenges, and leadership programs

Infrastructure

- Spacious laboratories and smart classrooms
- Separate hostels for men and women
- Hygienic canteen promoting healthy and eco-friendly practices
- Centralized Computer Facility

COMPUTER SCIENCE & ENGINEERING

Add-on Courses

1. PROGRAMMING & AI

- Artificial Intelligence & Machine learning
- Python Programming

2. CYBER SECURITY & WEB

- Cyber Security & Ethical Hacking
- Web Development
- Digital Marketing SEO & Performance
- Marketing (Google & Meta)

3. DIGITAL & EMERGING TECH

- 3D Modeling & VR – Unity Development
- 3D Modeling & AR – Unity Development

MECHANICAL ENGINEERING

Add-on Courses

1. OIL & GAS

- Mechanical QA/QC
- Oil & Gas Safety, Rig Operations & Quality Inspection
- Fire & Industrial Safety
- Solar PV Technician

2. AUTOMOTIVE, DIGITAL EMERGING TECHNOLOGIES

- Automotive Hybrid EV & Hydrogen Fuel Cell Technologies
- Additive Manufacturing & 3D Printing Design
- CNC Manufacturing Technology

3. FIRE AND SAFETY INDUSTRIAL SKILL

TRAINING PROGRAMS – GCC Industrial Demands

- Shutdown, Maintenance, Construction & Safety

CIVIL ENGINEERING

Add-on Courses

1. CONSTRUCTION MANAGEMENT

- MEP in building construction management
- Civil Construction Management
- Electrical Construction Management
- Interior Designing

2. OIL & GAS

- Civil QA/QC
- Oil & Gas Safety, Rig Operations & Quality Inspection
- Fire & Industrial Safety
- Solar PV Technician

3. FIRE AND SAFETY INDUSTRIAL SKILL

TRAINING PROGRAMS – GCC Industrial Demands

- Shutdown, Maintenance, Construction & Safety

ELECTRICAL & ELECTRONICS ENGINEERING

Add-on Courses

1. OIL & GAS

- Electrical & Electronics QA/QC
- Oil & Gas Safety, Rig Operations & Quality Inspection
- Fire & Industrial Safety
- Solar PV Technician

2. AUTOMOTIVE, DIGITAL EMERGING TECHNOLOGIES

- Automotive Hybrid EV & Hydrogen Fuel Cell Technologies
- Additive manufacturing & 3D Printing Design
- CNC Manufacturing Technology

3. FIRE AND SAFETY INDUSTRIAL SKILL

TRAINING PROGRAMS – GCC Industrial Demands

- Shutdown, Maintenance, Construction & Safety

BCA - Bachelor of Computer Applications

Add-on Courses

1. PROGRAMMING & AI

- Artificial intelligence & Machine learning
- Python Programming

2. CYBER SECURITY & WEB

- Cyber Security & Ethical Hacking
- Web Development
- Digital Marketing SEO & Performance
- Marketing (Google & Meta)

3. DIGITAL & EMERGING TECH

- 3D Modelling & VR – Unity Development
- 3D Modelling & AR – Unity Development

BBA - Bachelor of Business Administration

Add-on Courses

1. AVIATION AND HOSPITALITY

2. LOGISTICS AND SUPPLY CHAIN MANAGEMENT

3. HEALTHCARE MANAGEMENT

- Hospital Administration
- Healthcare Management & administration
- Medical Insurance & Claims Management in Healthcare

CAREER GUIDANCE & PLACEMENTS

The Career Guidance & Placement Cell (CGP) at TEC plays a vital role in shaping students' professional journeys.
